

COMMUNITY OUTREACH

Money Smart Education

Upon request, Seaway Bank will host a “Meet the Bank” workshop for churches who become a customer of the bank. As an additional service, we welcome the opportunity to conduct the following workshops at the church for the benefit of members and neighborhood residents:

- Money Management
- Know Your Credit
- How to Buy a Home
- Predatory Lending

Youth Saving Programs

Encourage all children, age 17 and younger, to start saving for the future with Seaway’s Bank at Church and Bank at School programs. Children can open a Young Savers account and run their own bank on designated bank days at churches and schools.

Ministers Luncheon

A highlight of the year is the annual networking and fellowship event for pastors. At these events, informative speakers are invited to present and discuss issues of key importance to church leadership. Topics have included:

- Record Keeping and Accounting for Churches
- Building a New Church
- Financing for Churches
- How to Establish a Community Development Corporation
- Estate Planning for Churches
