"FX" PRE-ORDER SERVICE

Seaway Bank and Trust Company has a convenient solution for the millions of international travelers looking to save time and money. Travel agents, churches, schools, universities, museums, corporations and many other organizations that coordinate travel abroad for groups or individuals could all benefit from having foreign currency immediately available for expenses, such as taxis, tips, or meals. Our **Foreign Currency Exchange Service (FX)** provides a more competitive rate of exchange than what you can expect to receive abroad, and allows you to bypass the long lines and hassle of rate shopping at foreign airports and hotels.

Prepare for your next trip by calling Seaway Bank, or just send us a list of group members and the amount of currency for each person. Your order will be available for pickup or delivery within a few days.

Be sure to ask about our **VALUE PACK** offers on orders of \$250 or more!
